## **CONTINUING CONNECTED TRANSACTIONS LEASING FRAMEWORK AGREEMENT**

On 22 December 2015, the Company, TK Technology (Shenzhen) and TK Technology Holdings entered into the Leasing Framework Agreement in respect of the Transactions.

As each of TK Technology (Shenzhen) and TK Technology Holdings is indirectly held as to 45.0% by Mr. Li, 28.0% by Mr. Yung and 27.0% by Mr. Lee, therefore TK Technology (Shenzhen) and TK Technology Holdings are connected persons of the Company under Chapter 14A of the Listing Rules.

Pursuant to Rules 14A.81, 14A.82 and 14A.83 of the Listing Rules, the Transactions under the Leasing Framework Agreement have been aggregated for the purposes of determining the category of connected transaction that such agreements should fall into under the Listing Rules. As all applicable percentage ratios (other than the profits ratio) as defined in Rule 14.07 of the Listing Rules in respect of the New Annual Caps are expected to be less than 5%, the Transactions are subject to the reporting and disclosure requirements and exempt from shareholders' approval under Rule 14A.76(2) of the Listing Rules.

### **INTRODUCTION**

On 22 December 2015, the Company, TK Technology (Shenzhen) and TK Technology Holdings entered into the Leasing Framework Agreement in respect of the Transactions. The principal terms of the Leasing Framework Agreement are set out below.

## **LEASING FRAMEWORK AGREEMENT**

Members of the Group as lessee and TK Plastics (Shenzhen), TK Technology (Shenzhen) and TK Technology Holdings as lessor had, in the past, entered into certain leasing/tenancy agreements for the leasing of premises in accordance with the Former Leasing Framework Agreement. The Company, TK Technology (Shenzhen) and TK Technology Holdings may maintain current leasing/tenancy agreements and may from time to time enter into new leasing/tenancy agreements for the leasing of properties by the Group from TK Technology (Shenzhen) and TK Technology Holdings by entering into the Leasing Framework Agreement.

### **Date**

22 December 2015

### **Parties**

- (1) The Company;
- (2) TK Technology (Shenzhen); and
- (3) TK Technology Holdings.

### **General terms for the Transactions**

Members of the Group as lessee and TK Technology (Shenzhen) and TK Technology Holdings as lessor may from time to time enter into Definitive Agreement(s) in relation to any Transactions upon, and subject to, the terms and conditions in compliance with the Leasing Framework Agreement as may be agreed between members of the Group and TK Technology (Shenzhen) and TK Technology Holdings.

If TK Technology (Shenzhen) and/or TK Technology Holdings intend to sell any of the relevant properties during the duration of the Leasing Framework Agreement (including the renewal term), 30 days prior written notice should be given to the Company and during such period the Company shall have the pre-emptive right to purchase the relevant property under the same conditions.

With effect from 1 January 2016, the Transactions shall be conducted:

- a. in the usual and ordinary course of business of the Company;
- b. on normal commercial terms and based on the then prevailing market rates; and
- c. in compliance with all applicable provisions of the Listing Rules (including the New Annual Caps), the applicable laws, the Leasing Framework Agreement and the relevant Definitive Agreement.

## **Consideration**

The consideration for each Definitive Agreement will be determined according to normal commercial terms and with reference to the following:

- i. the prevailing market rent of similar properties in the vicinity; and/or
- ii. quote(s) obtained from Independent Third Parties in the market for similar property(ies); and/or
- iii. a valuation prepared by an independent professional valuer.

## **Duration**

The Leasing Framework Agreement shall commence on 1 January 2016, and shall continue for a period of two years up to and including 31 December 2017, unless terminated earlier in accordance with the Leasing Framework Agreement. Subject to compliance with the Listing Rules and any applicable laws by the Group or, alternatively, any waivers obtained from strict compliance with such requirements, upon expiration of the initial term or subsequent renewal term, the Leasing Framework Agreement will be automatically renewed for a successive period of two years thereafter, unless terminated earlier in accordance with the Leasing Framework Agreement.

## **HISTORICAL FIGURE AND NEW ANNUAL CAPS**

The aggregate transaction amounts under the Former Leasing Framework Agreement for the financial year ended 31 December 2014 and for the eleven months ended 30 November 2015 were approximately HK\$18,251,000 and approximately HK\$26,746,000 respectively. The previous annual caps under the Former Leasing Framework Agreement will expire on 31 December 2015. Pursuant to Rule 14A.54(2) of the Listing Rules, the Company has set a New Annual Cap in respect of the Transactions under the Leasing Framework Agreement for each of the two years ending 31 December 2016 and 31 December 2017 of approximately HK\$49,206,000.

The New Annual Caps have been determined based on the historical transaction amount under the Former Leasing Framework Agreement, taking into account of inflation and/or adjustments for potential increase in rental and/or changes in size of premises in connection with any lease/tenancy agreements and/or the entering into any new lease/tenancy agreements in respect of other premises in the future. The table below shows the size and rental of the leased premises under the Former Leasing Framework Agreement and the Leasing Framework Agreement (where applicable) for the three years ending 31 December 2017:

	<b>For the year ending 31 December 2015 (per month)</b>	<b>For the year ending 31 December 2016/2017 (per month)</b>
Size of leased premises under Former Leasing Framework Agreement or Leasing Framework Agreement	84,437 sq.m.	113,639 sq.m.
Rental of leased premises under Former Leasing Framework Agreement or Leasing Framework Agreement	HK\$29.2/sq.m.	HK\$36.1/sq.m.

As disclosed in the announcement of the Company dated 23 May 2014, the Company has entered into lease agreements for Shenzhen Yulu Plant B which will expire on 31 December 2015, the Company will relocate such plants to the Shenzhen Tangjia Land in order to consolidate our manufacturing operations. The Company also plans to expand its production capacity by establishing automatic production lines for precision mold and high-end plastic components and at the same time the Company is expected to have an increase in orders for the production of traditional molds and plastic components for the two years ending 31 December 2017.

## **REASONS FOR AND BENEFITS OF ENTERING INTO THE LEASING FRAMEWORK AGREEMENT**

As it is contemplated that members of the Group, TK Technology (Shenzhen) and TK Technology Holdings may maintain current lease/tenancy agreements and may from time to time consider entering into new lease/tenancy agreements for the renting of production base and/or office premises, in order to reduce the administrative burden of the Company in respect of all the lease/tenancy agreements between the Group, TK Technology (Shenzhen) and TK Technology Holdings for the purposes of Chapter 14A of the Listing Rules, the Company, TK Technology (Shenzhen) and TK Technology Holdings decided to enter into the Leasing Framework Agreement.

The Group will satisfy the consideration of the Transactions under the Leasing Framework Agreement by its internal resources.

## **LISTING RULES IMPLICATIONS**

As each of TK Technology (Shenzhen) and TK Technology Holdings is indirectly held as to 45.0% by Mr. Li, 28.0% by Mr. Yung and 27.0% by Mr. Lee, therefore TK Technology (Shenzhen) and TK Technology Holdings are connected persons of the Company under Chapter 14A of the Listing Rules.
